

TECHNICAL ADVISORY

DIVISION OF MOTORIST SERVICES

DATE: 01/26/24	Technical Advisory (TA) DL 24-001
SUBJECT: Updates to IRO8 Gender Requirements	

Overview:

The Department is amending IRO8 relating to gender requirements.

Details:

The customer’s gender as displayed on the driver license or identification card must be taken from a primary identification document.

IRO8.4 regarding gender change is rescinded.

Please review the attached memorandum for further details.

Conclusion:

If you need additional information, please contact your next level of management.
