15. ACTION TAKEN On the above date and time, Sgt. Powers, PO Gleason, and I responded to the above address for a welfare check. Central Dispatch had received an anonymous tip regarding the children of Jamie Bougher having access to firearms. Upon arrival, we met with Mr. Bougher, who stated that the children were out getting haircuts with their mother. Mr. Bougher showed us his gun safe, which contained firearms secured with a combination that the children do not have access to. We were further advised that due to his wife's status as a political figure, they were warned of potential swatting incidents involving them and their family. No further police action taken.
