

Congress of the United States  
House of Representatives  
Washington, DC 20515-0906

September 19, 2022

Dear Colleague,

Federal dollars are fueling rampant inflation and funding the Biden administration's radical agenda. This includes empowering authoritarian bureaucrats at agencies like the IRS and FBI, implementing open-border policies that are threatening our communities, imposing COVID-19 mandates that shut down schools and are forcing our military servicemembers out of their jobs, and advancing self-destructive energy policies.

As the September 30<sup>th</sup> federal funding deadline approaches, Republicans must do what is necessary to ensure that not one additional penny will go toward this administration's radical, inflationary agenda. Any legislation that sets the stage for a "lame duck" fight on government funding gives Democrats one final opportunity to pass that agenda.

Therefore, we, the undersigned, will oppose any continuing resolution that expires prior to the first day of the 118<sup>th</sup> Congress, or any appropriations package put forward in the remaining months of this Democrat-led Congress.

Signed,
